

Quartz Secure Document

In order to ensure that you can have the best experience possible, we will be working with the venue's partners closely to ensure that they can all adhere to our COVID-19 secure standards. These standards are laid out below:

SOCIAL DISTANCING

- All visitors and exhibitors will need to bring and wear their own face coverings.
- Entrance doors will be kept open at all times to avoid visitors touching handles etc.
- Socially distanced queuing systems will be present throughout the venue, specifically before getting your temperature checked upon arrival.
- No cloakroom services will be open.
- Payments onsite should be contactless, where possible.
- Where possible, food and beverage will be pre-packaged, and there will be no self-service options available.

CLEANING

- Before opening, the venue will have undergone an extensive cleaning regime.
- Areas that are frequently touched (high touch points) will be regularly disinfected.
- Cleaning procedures will have been updated with new equipment, with a key focus on high touch points.
- A dedicated high touch point cleaner will be working on our show. They will disinfect all door handles, stairwells and other key areas.
- Within washrooms, every other sink and cubicle will be out of use to abide by social distancing regulations. The washrooms will also be cleaned regularly throughout the show.
- Sanitising stations will be erected across the venue and washrooms, and use of these will be encouraged.

COMMUNICATION

- Internal and external signage will be in place to support health and safety measures across the venue.
- There will be signage in place ensuring that the flow of our visitors meets social distancing requirements.
- Regular PA announcements will be made advising everyone to social distance.

PROTECT & DETECT

- PPE & facemasks will be worn throughout the venue and the show by all staff, visitors and exhibitors.
- Clear screens will be placed throughout venue.
- Upon arrival to the venue, temperature checks will take place.
- There will be enhanced medical support onsite.
- Trace and Track systems will be in place from our registration.
- Any high risk exhibitors and guests must refer to the local government guidance that is relevant at the time.

We are certain that these standards can create a safe yet effective environment for the show, and we look forward to seeing you there.

Please remember, if at any point you experience symptoms, please stay at home and follow the government guidance.
